

## **Senior Sidewalk Clearing Community group fundraising initiative**

*Whether we like it or not winter is here, and that means snow will need to be shoveled.*

As a fundraiser during the winter months, Lac La Biche County is accepting applications from interested community groups to participate in snow clearing services for seniors in order to assist them in maintaining their sidewalks in the Hamlets of Lac La Biche and Plamondon. Written applications should include the name of organization and proof of insurance.

The rates paid to the community groups for snow clearing are \$20.00 per residence per snow event. Please call Helen Wells at 780-623-1747 for more information.

Please forward your application to:
