

## **Delegations**

Delegations are individuals or groups who request permission to appear before Council to speak on a particular issue.

### Concerned Dumasfield Resident

- Administration has been in contact with a Dumasfield resident regarding light pollution and loss of privacy due to work completed during the Beaver Hill Road Improvement project.
- The homeowner met with Council to discuss the impact of the raised walking trail and new lighting along Beaver Hill Road.
- Council approved a motion directing Administration to look into the possibility of installing deflectors on the light standards in the area affecting the homeowner on Beaver Hill Road.

## **New Business**

### Aquatic Services Strategic Plan

- Council approved a five-year strategic plan that contains goals, objectives and strategies for addressing and improving staffing, infrastructure, services and programs at Portage Pool. All objectives were created as a result of feedback from residents and Portage Pool users, as well as provincial legislation and aquatic facility best practices.

### Plamondon and Beaver Lake Landfill Schedule of Operation

- In order to provide enhanced service to the community, expanded hours will be offered at the County's landfills in Plamondon and Lac La Biche starting July 12, 2015.
