

## NOTICE OF CONSTRUCTION

### Pavement and Surfacing Work

#### Dear Property Owners & Local Residents:

As a part of the Hamlet Resurfacing Program, Camp 5 Paving Ltd., Lac La Biche County's contractor, will be resurfacing 101 Avenue between 100 Street and Beaverhill Road in the hamlet of Lac La Biche.

<b>Timeline:</b>	<b>June 3, 2020 to June 7, 2020</b>
<b>Scope of Work:</b>	<b>Milling of curb lines and overlay paving</b>
<b>Hours of Work:</b>	<b>7 a.m. to 7 p.m. (Monday to Friday) – typical hours</b> <b>9 a.m. to 9 p.m. (Saturday, Sunday and/or Holidays)</b>

*Circumstances such as inclement weather may occasionally result in longer hours of work, but will never exceed the hours of 7 a.m. to 10 p.m. on weekdays or 9 a.m. to 10 p.m. on weekends or holidays.*

#### Impact to Residents and Local Traffic:

- Temporary traffic control will be in place. Traffic lanes and sidewalks will remain open.
- Removal of parked vehicles/equipment on the roadway is required, and there will be no driveway access for the duration of milling and paving.
- If roadside waste and recycling collection is impacted due to inclement weather, place containers in your usual spot for collection and Camp 5 Paving Ltd. will ensure they are collected and put back in place. All other services will not be interrupted.

We ask all pedestrians, motorists and visitors to obey temporary traffic and safety control measures, and be aware of heavy equipment and workers in your area. The construction team and their families thank you in advance for your patience while we complete this construction.
