## Beaver River Bridge Replacement SW 23-65-14-4

### Dear Property Owners/Residents:

In 2019, Lac La Biche County contracted Formula Alberta Ltd. to replace Bridge File 9799 which crosses Beaver River at approximately 4 km west of Highway 36 on Township Road 653 (Christy Creek Road). The bridge will be closed to traffic for the duration of the project, however landowners will always have access to their properties. Formula Alberta Ltd. will work diligently and effectively to open this bridge as soon as possible.

<b>Timeline:</b>	<b>June 29 to September 15, 2020 (weather-dependent)</b>
<b>Scope of Work:</b>	<b>Remove/Replace Bridge Structure and Paving</b>
<b>Hours of Work:</b>	<b>7 a.m. to 7 p.m. (Weekdays)</b>
	<b>9 a.m. to 9 p.m. (Weekends and Holidays)</b>

### Impact to Residents and Local Traffic:

- Temporary road closure on Christy Creek Road (Twp. Rd 653) will prevent Highway 663/Highway 36 access.
- Detour may lengthen daily commute, map attached.
- Construction signs and safety messages will be installed along the detour route as well as the construction zone.
- Heavy equipment and truck traffic moving in to/out of work site.

Formula Alberta Ltd. will take every precaution to ensure public safety and will need your assistance in keeping children and pets a safe distance from the construction site, staff and equipment.
