

## **TOWNSHIP ROAD 674 – ROAD RECONSTRUCTION**

On **Tuesday, September 04, 2018** weather permitting, road reconstruction will start on Township Road 674 from Range Road 144A to Range Road 152 (west of Lac La Biche Mission). This work will restrict and limit access to alternating one-lane traffic. Please respect “local traffic only” signs and drive with caution. Vibratory equipment will be used for these repairs. Please take necessary precautions.

North West Paving Ltd. is responsible for the first phase of this multi-phase project. The project is expected to be complete by late October.

**As children can be attracted to construction sites and equipment, we request your assistance in informing them of the dangers and reminding them to stay away from work sites.**

Thank you for your assistance in maintaining safety on our work sites. We apologize for the inconveniences. If you have any questions or concerns, please do not hesitate to contact the following:
