Mayor Langevin introduced Council to the delegation.

Albert Stratichuk, representative of Lac La Biche Feed Mill and Farm Supply and Les Mabbot, future franchisee of Tim Horton's were present and introduced themselves to all those present. Mr. Stratichuk discussed his intention to build an engineered road to gravel base joining Madison Avenue to the North/South Road Allowance and joining the North/South Road Allowance to 88th Avenue. He further intends to pave the portion of road from Madison Avenue to the North/South Road Allowance and asked Council if the County would consider paving the North/South Road Allowance to 88th Avenue.

Mr. Stratichuk provided his opinion that because of an increase in traffic on Highway 36 due to the commercial development in the area, it is imperative to begin this new road construction as soon as practicable. He also stated that he is ready to begin the construction of the road upon approval of Council.

Mr. Stratichuk further requested that Council consider an Endeavor to Assist Agreement to recover construction costs for future benefitting parcels.

Mr. Mabbot expressed his intent to build the Tim Horton's this year and stated that once the subdivision plan is in place, he can start building by mid-June to the end of July for completion by the end of October.
