

NOTICE OF UPCOMING CONSTRUCTION

Bridge File 13640 – Nashim Drive

Dear Property Owners/Residents:

Lac La Biche County is scheduling the replacement of Bridge File 13640 to improve the safety standards of the crossing and this notice is to advise of the upcoming field work (subsurface soil drilling) scheduled for February 1, 2021.

Location: Nashim Drive between Tarrabain Dr. & 107 St. (SE 1-67-14-W4)
Date: February 1, 2020
Expected Duration: 1 day
Scope of Work: Subsurface Soil Drilling
Expected Hours of Work: 7 a.m. to 5 p.m. (daylight hours)

Impact to Residents and Local Traffic:

- Partial road closure (Single lane traffic controlled by signage / flag persons)
- Noise and presence of drilling equipment / traffic.

Residents are asked to please respect all signage, fencing, and barricades. We ask that the public stay clear of this area during the drilling operations. An additional notification will be issued once the construction schedule for the full replacement of the bridge is set.

We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please reach out to one of the contacts below:
