

## **NOTICE OF PRE-CONSTRUCTION WORK**

Plamondon Lift Stations – Tree Clearing & Borehole Drilling

### **Dear Property Owners/Residents:**

Lac La Biche County Council has approved funds in the County's 2021 capital budget for the Plamondon Lift Station project. A full list of current and planned capital projects is available on the County's website ([www.laclabichecounty.com](http://www.laclabichecounty.com)). Hover over "our services" and click on "Current Construction Projects."

In preparation of the new sewage pumping station, Razorback Contracting Ltd. and MPE Engineering Ltd. are expecting to begin tree clearing and borehole drilling.

**Timeline:** March 8 - 16, 2021, weather permitting  
**Scope of Work:** NE ¼ 33-067-15-4 section of land, map attached  
**Hours of Work:** 7:00 a.m. to 7:00 p.m., Monday to Friday

### **Impact to Residents and Local Traffic:**

- Minor traffic delays and interruption to normal flow of traffic on Range Road 153 during offloading/loading of equipment.
- Construction noise surrounding the tree clearing area.
- Construction signage will be posted, please use caution around equipment and workers.

We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please contact:
